OUR STORY

Celebrating over
40 YEARS
of Cooling Experience with **ACSON.**

Acson Malaysia is a home-grown air conditioning company that has been established since 1984. It is a subsidiary of Daikin Malaysia Sdn Bhd (Previously known as O.Y.L. Manufacturing Company Sdn. Bhd). Acson continuously providing ultimate cooling experience and home appliances to Malaysians since its incorporation in air conditioning industry.

We offer services such as cooling solutions for public, private & government sectors, and products in air conditioning system such as drainage pumps, air curtain, control system and duct accessories.

Customers' needs and satisfaction is our main priority. We strive to achieve it by ensuring pleasant services reach out to our customers' demands. This is the mission of Acson and it remains as we grow further. As to beyond the boundaries, we even focus on delivering healthier lifestyles and happiest moments to our customers without causing any harm to the environment.

OUR VALUES

**Enterprising
Management**

**Absolute
Credibility**

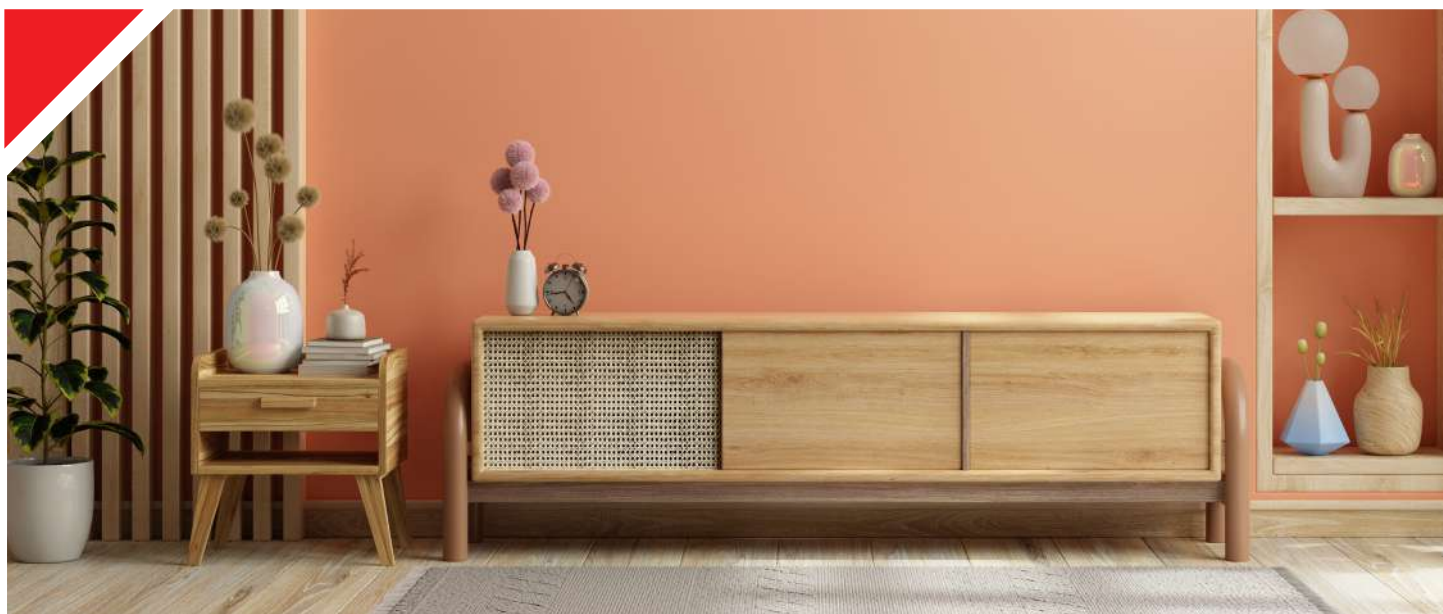

**Harmonious
Personal Relations**

Acson family is passionate about group enlargement. Our diverse talents are pooled together as a creative resource centre where new ideas are transformed into successful creations and where every new decision is made mutually benefit to the Group, our employees and our customers whom we live to serve.

Our concern in quality of work & research development well reflected in every household & place that we service. This is what we valued the most - Service above self. This is what Acson has been all about for over three decades.

Our Core Values:

1. Resolve Social Issues and Enhance Corporate Value
2. Create New Value by Anticipating Future Needs
3. Realize a Better Society through Innovative Technologies
4. Take Action to Maintain Society's Trust
 - (i) Be Transparent to Society and Build Mutual Development
 - (ii) Grow with our Business Partners
5. Think Globally and Be Flexible and Vibrant
6. Practice "People-Centered Management (PCM)" and Provide Challenging Opportunities
 - (i) Create an Open-minded Atmosphere and Provide Ambitious Challengers with More Opportunities
 - (ii) Value Empathy for Daikin Group Philosophy and Cherish the Pride and Joy of Being Part of the Daikin Group
 - (iii) Promote and Respect Diversity Management

COMPANY MILESTONES

1984

1st Malaysia brand Air-Conditioning
