

MY ACSON, MY CONTROL

On your fingertips, you have cooling switch

MY Acson

Less Hassle via My Acson App Usage

*User interface of the features bar is dependent on-air conditioner series

GeoFencing

Smart Comfort, Automatically Yours Experience the New Geofencing Feature

Your AC now works around your lifestyle. Using smart location technology, your home stays cool when you're there and saves energy when you're not.

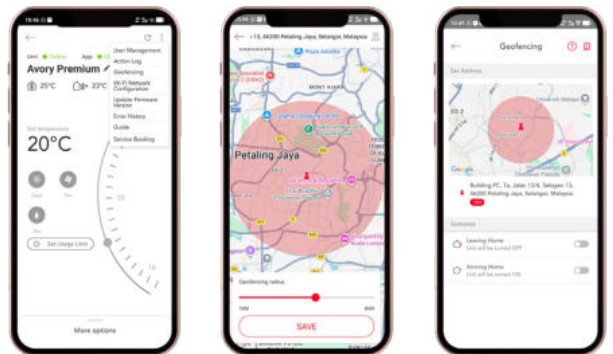

Arriving Home (Auto-ON):

Set a distance (up to 8km) to pre-cool your home before you even reach the door.

Leaving Home (Auto-OFF):

Never worry about forgetting to turn off the AC again—it powers down automatically as you drive away.

Note: To enjoy this hands-free comfort, please set your phone's location permission to "Always On."

My Complete Control

Control Different Modes/Settings

Completely control unit even from outdoor. Able to control different modes, fan speed, air flow direction, temperature settings and the zoning system.

Controls Multiple AC Units on Your Fingertips

Control every air-conditioner unit from your couch without racing from room to room to change the air-conditioner settings

Dining Room

Living Room

Bedroom

Study Room

MY Sharing, MY Caring

Sharing Option

Share the access of air conditioner to third party. Possible to be both hospitable and safe.

Bluetooth Option

Bluetooth connection is available to connect if WiFi is not working.

7-day Schedules and Timers

Set 7-day schedules and timers that adjust air-conditioner according to your lifestyle.

Voice Control with Smart Home Integration

Enjoy an effortless lifestyle upgrade with the power of voice. You can relax and take control of your air conditioner with Alexa/Google Assistant to achieve the ultimate in home comfort control.
